Dear Sir:

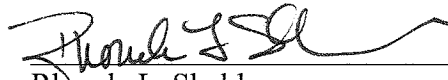

Pursuant to Applicants' duty of disclosure under 37 C.F.R. § 1.56 and § 1.97 (h), enclosed is a List of References Cited by Applicant (in duplicate copy), which lists 5 references, 3 of which are foreign patent documents, and 2 of which are non-patent references. One of the foreign patent references has a U.S. equivalent. Because the foreign patent reference and its US equivalent are substantively cumulative, a copy of the foreign patent reference has not been included. All of these references are cited in the Supplementary European Search Report dated April 30, 2008.

"No fee is believed to be due for this submission pursuant to 37 CFR § 1.97(c), because there has not been an Office Action in this case."

Thus, it is respectfully requested that these references be made of record in this application.

Respectfully submitted,

July 24, 2008
